Dear Mr. Whitehead:

Attached is a renewal permit to operate your municipal waste landfill pursuant to 9 VAC 5 Chapter 80 of the Virginia Regulations for the Control and Abatement of Air Pollution. This permit incorporates provisions from the permit dated March 7, 2008.

The permit contains legally enforceable conditions. Failure to comply may result in a Notice of Violation and civil penalty. Please read all permit conditions carefully.

In evaluating the application and arriving at a final decision to issue this permit, the Department deemed the application complete on March 5, 2013 and solicited written public comments by placing a newspaper advertisement in the Gloucester-Mathews Gazette-Journal newspaper on March 7, 2013. The thirty day comment period (provided for in 9 VAC 5-80-270) expired on April 4, 2013 and the concurrent forty-five day comment period (provided for in 9 VAC 5-80-290.E) expired on April 22, 2013. TBDNo comments were received in this office from the public or US EPA.

This approval to operate does not relieve Waste Management Disposal Services of Virginia, Inc. of the responsibility to comply with all other local, state, and federal permit regulations.

Issuance of this permit is a case decision. The Regulations, at 9 VAC 5-170-200, provide that you may request a formal hearing from this case decision by filing a petition with the Board within 30 days after this permit is mailed or delivered to you. Please consult that and other relevant provisions for additional requirements for such requests.

Additionally, as provided by Rule 2A:2 of the Supreme Court of Virginia, you have 30 days from the date you actually received this permit or the date on which it was mailed to you, whichever occurred first, within which to initiate an appeal to court by filing a Notice of Appeal with:

David K. Paylor, Director  
Department of Environmental Quality  
P.O. Box 1105  
Richmond, Virginia 23218

In the event that you receive this permit by mail, three days are added to the period in which to file an appeal. Please refer to Part Two A of the Rules of the Supreme Court of Virginia for additional information including filing dates and required content of the Notice of Appeal.

If you have any questions concerning this permit, please call 804-527-5020.

Sincerely,

James E. Kyle, P.E.  
Air Permit Manager
